

AFRICAN ADVANCED LEVEL TELECOMMUNICATIONS INSTITUTE (AFRALTI)

Member States: Kenya, Uganda, Tanzania, Malawi, Mozambique, Swaziland, Zambia, Zimbabwe

The African Advanced Level Telecommunications Institute (AFRALTI) is an Inter-Governmental Training Institution with the mandate to spearhead the development of ICT skills and competencies in Africa. Headquartered in Nairobi, Kenya, its main offices are situated along Waiyaki Way, near Communications Authority of Kenya (CAK), its main link with the Government of Kenya and regional member States in the Eastern and Southern Africa region.

We work closely with regulatory authorities of ICT in our member States and a large network of regional and global partners including the ones listed below:

CISCO Academy Support Centre (ASC) for Eastern & Central Africa, Fibre Optic Association - Training Centre No. 758, Huawei Authorized Learning Partner (HALP), ITU Centre of Excellence, International Computer Driving License (ICDL) Approved training centre.
